Liquor Law & Regulations

The Starr Pass Marriott Resort & Spa is committed to a policy of providing legal, proper and responsible hospitality. The Resort requires that all beverages be dispensed only by Resort staff. Alcohol will not be served to guests who appear intoxicated, under the age of 21 or are unable to produce acceptable identification. We encourage the adoption by Banquet Groups of a designated driver program, whereby one or more persons accept the responsibility of not consuming alcoholic beverages thereby ensuring the safe transportation of others in the party. Additionally, our Banquet Captain will happily assist anyone in making alternative transportation arrangements and/or overnight accommodations during the course of your function.

The sale and service of alcoholic beverages is regulated by the Arizona State Liquor Commission. The Starr Pass Marriott Resort & Spa, as a licensee, is responsible for the administration of these regulations. It is a resort policy, therefore, that liquor may not be brought into the Resort for use in banquet or hospitality functions.
